

EXPRESS EMPLOYMENT PROFESSIONALS

Serving and bringing hope to communities across the world.

JULY 11 - AUGUST 8

The Brand It Blue Initiative was born out of a desire to serve and partner with a local organization to make a difference and provide hope in our community. This year, we at Express Employment Professionals of Grand Rapids have proudly partnered with SECOM Resource Center for Brand It Blue 2022 to provide a wide variety of non perishable items for their food pantry.

OUR 2022 PARTNER

SECOM
RESOURCE CENTER

SECOM began in 1971 as an outreach ministry of four area churches to meet the needs of the surrounding neighborhood, particularly in the area of hunger and food insecurity. In 1993, SECOM became an independent 501(c)3 nonprofit organization. Today, SECOM is a key resource center that gives help today and builds hope for tomorrow through connecting families with community resources, improving health, and providing educational and empowerment programs for low-income children and families.

We are looking for companies to partner with us and **HOST A COLLECTION SITE AT YOUR COMPANY** for our 2021 Brand It Blue Initiative, where we partner with a local organization bringing hope to the community. Express will provide collection bins or totes and pick up all donations the week of August 16th.
